What a finale! It looks like Season 8 of *Game of Thrones* will bring an even bigger a showdown between the Mean Queen and the Mother of Dragons. While this show has had many, many troubled plotlines involving women (I'm looking at you [Sansa Stark](#)), there have been some truly inspiring moments of female power.

SPOILER WARNING: Don't read if you haven't seen all 7 seasons, including the finale of *Game of Thrones*.
